Hi Wiz, hey I havnt seen that thread, but will check it out.. I think why y because ya never entered the realm he lives in. There arnt that many peo fallen angels, and are hidden within the levels of darkness. From what I level is split into light and dark. This splits againd and again, untill ther

So its possible you never went to many of these areas. There would be a existance in the dark side, as well as 70,000 levels in the light side. By heaven up, i would think. Especially when are just consciousness and no more than one heaven, i am talking where the throne of God is, in Rev 4: we stand on the sea of glass, and we are in bodys at that time, you seem you said that. I know about this. I have had it happen to me to. I also we side, and found the fallen angels..shuss - be real quite about that.

Do you get flashes of muti-colored crystal shards at times. Some of what familiar to me. You might have passed thru, stood on, or recieved essence of glass, during some of these journeys. Thats what happened to me. I se multiple colors, at times. Like what I remember from, the Sea of Glass. T some time. You have been thru a lot, theres a lot of data there in. Just g

But anywho, you musta not went to where satan lives. Check this out, in found in the 70,000 lights levels of astral planes. Many sfalse levels of t of these levels. Now I think Lucifer and Satan are the same entity. I thin have, into duality. The Holy Ghost, she heals that in us by oneness. But rebellion, got a dual nature. His false light side lives in the light astral carnal side (satan)lives hidden, in the dark asrtral levels. I have found b my journeys at this time were in my control and had an agenda, to find t was going on and how they do it. Thats when I found out Lucifer is a spit reflected in the corresponding astral plane. So the news is, thers not on he works the new age movent and things like that. Thats why it teaches v and ther really is no real God..But we are Gods, Lucifer is preaching fals like in the churches. And his carnal counterpart, satan , is preaching fal lies too.

This is funny Wizanda, after talking to me, now ya not onoly have to adju alkso lucifer..lol, this is so funny. lol The deal seems to bem your journey an attending angel or something, and they chose not top take you to thes couple journys like this too, where something takes me out, and shows m take me to where the fallen angels, satan or Lucifer live. I had to do tha mean/ I know you get this, your too smart not to see this.

Man we have opened up a can of worms here. Thanks Wizanda, I dont know if I can do it! Its your gift I guess, Praise God! We might figure you out yet.lol And I have them, not just one. Theres satan and also lucifer..whoopieee, are we having a good time? wat kind of spirit lives in you, that does this to us Wizanda? I think we got a good one "She" just shined on us both, and David too; thats what I think. Right on! Right on here..praise God, praise God, praise God and praise God! Dont be shy,
