point # 1-Yes god created the world and declared it good. But later the d
and sin came in. It was at that time Adam and Eve were forced from the G
of the tree of life anymore. Now your point about saying, "God said this
prove theres no devil, because he came after God said that. The devil ca

point # 2 - you said, that satan appeared to God, in job.. And he is aske
from?" satan replys, I come from earth! Then you go on to say that prove
ego from the earth, that manifested as satan or something, to petition Go
make sense, because satan is the prince of earth now. Yahshau tells us

Also satan can go to the moon, mars, ect.. he just happened to be on ear
him.. So he goes to where God is at and petitions him.. You do not make
work at all, like this.

Point # 3 - you said peoples ego make them say christ is God.. But I disa
because Yashua said, I and the Father are on.. When we say Yashua is G
but not the Father.. Thats a seperate entity altogether.. But both are die
there is only one God, which is the Father. The bible tells us there are m
Father! Actauuly there are 4 dietys, The father, Mother, Son and Daughte
Ghost! Again your case falls apart, because christians are using Jesus o
is diety. And he is diety, just like the Father!

Point #4 You said, to believe a being oppossed to God exists, is nieve..
recorded history in the new and old testament.. It tells us, that lucifer b
in heaven, Yashua says he saw him fall from heaven, like lighting.. Thes
ezekial 28:18-20 it tells us of a future event that describes a fire coming
he will be burned up in front of the saints. This same being is described
throne, leading a revolt in Heaven itself, walking on the sea of glass, an
to sit in the congregation of the sides of the north; and is described in r
and the serpent as being the same thing. Now ego cannot sit in a throne,
and start a war, unless it has a body to work thru.

In this case its the body of a fallen angel, or Lucifer/satan.. all this is i
Yashua and Yahweh, not mankinds words, but their own words.. So your p
and have no power or force, because its a bold faced lie.

You cant go against Yahshua and Yahwehs own words and expect people
makes you look like a quack.. I really believe you are a mind controlled
right with the way you try and make your points. You make a point, then
breath. That sounds like multipole personalitys to me? wat do you think?

Are you even capable of following anything I said here? And for how lon
something changes the original perception? You get real humble real qui
is picking on you.. But you set yourself up by taking things out of contex
The Father and Yahshua about the devil, you set yourself up for an attac
and such, like, "hey they are picking on me agian".. But you do this to yo
seriously flawed.. you set people up to do this to you, by your deiel of G
things out of context, ect.

You dont believe Christs own words about satan, and ya consistanty say
breath, reverse wat ya said. This is one heck of a mess. I am trying to h
sure I can.. Not if your a monarch mind controlled victom. Set up to crea
metaphysical christians in, to find out wat they know, by spinning them l
deeper into areas we want to keep hidden, because we know they are loo
know. It would be a perfect way to do it, using you like this. Thats proba
might belong to the Cia, or M1-6, or secret mind controll, organizations.
because your front personality they created for you, wouldnt let you know
here, and its all about you!!! Who are you really?

Father, I ask you restore Wiz, back to his original personality, and block
alternate personalitys, that seem to be using his body like this. Restore
meant it to be. I come against any programming and destroy it forever, fr
again. In Christs mighty name, I seal this before the throne of the Father
persons body and soul. I cannot do much more that pray about this to you
to take it from here. Use your strong arm and deliver Wizanda from this a
Restore his logic back to him, in wisdom and truth.. I also come against
Wizanda and did this to him, I ask for the Father to send retribution and
did this, by withdrawing "the breath" from them.. I also ask for a complet
collected by using him like this. I ask the disks, hard drives, and wherev
totally annialated. Please do this Father, annialate the data, and those h
are using him like this. Thats for the human level. If theres a spiritual l
that you bind and stop them, from ever using wizanda ever again. I ask y
however you do these things, for this abuse. Enough is enough. Do it Fat
mighty name, amen..
