point # 1-Yes god created the world and declared it good. But later the devil and sin came in. It was at that time Adam and Eve were forced from the garden of the tree of life anymore. Now your point about saying, "God said this" to prove theres no devil, because he came after God said that. The devil can't

point # 2 - you said, that satan appeared to God, in job.. And he is asked "where from?" satan replys, I come from earth! Then you go on to say that proves ego from the earth, that manifested as satan or something, to petition God. That doesn't make sense, because satan is the prince of earth now. Yahshau tells us that

Also satan can go to the moon, mars, ect.. he just happened to be on earth when he came to him.. So he goes to where God is at and petitions him.. You do not make sense out of work at all, like this.

Point # 3 - you said peoples ego make them say christ is God.. But I disagree because Yashua said, I and the Father are one.. When we say Yashua is God, we are saying he is the Father but not the Father.. Thats a seperate entity altogether.. But both are divine, so there is only one God, which is the Father. The bible tells us there are many gods, but the Father! Actaully there are 4 diety's, The father, Mother, Son and Daughter, Holy Ghost! Again your case falls apart, because christians are using Jesus as a diety. And he is diety, just like the Father!

Point #4 You said, to believe a being oppossed to God exists, is nieve.. There is recorded history in the new and old testament.. It tells us, that lucifer was in heaven, Yashua says he saw him fall from heaven, like lightning.. Theres also ezekeial 28:18-20 it tells us of a future event that describes a fire coming and he will be burned up infront of the saints. This same being is described as sitting on a throne, leading a revolt in Heaven itself, walking on the sea of glass, and to sit in the congregation of the sides of the north; and is described in revelation 12 and the serpent as being the same thing. Now ego cannot sit in a throne, and start a war, unless it has a body to work thru.

In this case its the body of a fallen angel, or Lucifer/satan.. all this is in the bible, Yashua and Yahweh, not mankinds words, but their own words.. So your point is a lie and have no power or force, because its a bold faced lie.

You cant go against Yahshua and Yahwehs own words and expect people to believe you. It makes you look like a quack.. I really believe you are a mind controlled person. You are right with the way you try and make your points. You make a point, then you take a breath. That sounds like multipole personalities to me? wat do you think?

Are you even capable of following anything I said here? And for how long something changes the original perception? You get real humble real quiet is picking on you.. But you set yourself up by taking things out of context. The Father and Yahshua about the devil, you set yourself up for an attack and such, like, "hey they are picking on me again".. But you do this to yourself, seriously flawed.. you set people up to do this to you, by your denial of God things out of context, ect.

You don't believe Christ's own words about Satan, and you consistently say the opposite, reverse what you said. This is one heck of a mess. I am trying to help, sure I can.. Not if you're a monarch mind controlled victim. Set up to create metaphysical Christians in, to find out what they know, by spinning them deeper into areas we want to keep hidden, because we know they are looking for it. It would be a perfect way to do it, using you like this. That's probably why you might belong to the CIA, or M1-6, or secret mind control organizations. because your front personality they created for you, wouldn't let you know where you are here, and it's all about you!!! Who are you really?

Father, I ask you restore Wiz, back to his original personality, and block all alternate personalities, that seem to be using his body like this. Restore him to what he meant it to be. I come against any programming and destroy it forever, from now on. In Christ's mighty name, I seal this before the throne of the Father, over his person's body and soul. I cannot do much more than pray about this to you, I ask you to take it from here. Use your strong arm and deliver Wizanda from this abuse. Restore his logic back to him, in wisdom and truth.. I also come against all of this abuse. Wizanda and did this to him, I ask for the Father to send retribution and justice. I did this, by withdrawing "the breath" from them.. I also ask for a complete erasure collected by using him like this. I ask the disks, hard drives, and wherever they are, to be totally annihilated. Please do this Father, annihilate the data, and those who are using him like this. That's for the human level. If there's a spiritual level, I ask you that you bind and stop them, from ever using Wizanda ever again. I ask you to do whatever you do these things, for this abuse. Enough is enough. Do it Father, in your mighty name, amen..
