Your point is still correct as the continents in words are the meaning in
dashes are vowels, so the real meanings of things are taken from the co
expression to the word made from the continents.
Yet in my Hebrew names version of the Bible his name is Yeshua, and ta
Hebrew this make sense. You see 'A' = strength like mountain, 'e' is to s
'sh'=is the biting of teeth to show strength, 'H' is the breath of God; this
Abraham, adding the strength of God into his name.
Yeshua means, to show the way of worship and to leave a hook in time a
Hebrew.
