O.K Wiz, lets go and play chess with this.

point # 1- Lucifer used free will, and made some choices that changed hi
time, the devil. He could have chosen not to do that, but he did choose t
eat of rotten fruit, it ate of the tree of good and evil. In doing that it gai
evil! Eve followed, and ate of the tree of good and evil. In doing that she
and evil. This is seen by her reply to God, saying the serpent made me d
serpent tricked her, he didnt make her. If she had never eaten of the fru
that way, but only in truth. Adam ate because he believed God when He s
of this. Adam loved Eve so much, he decided to die with her. Adam was n
made a choice, to die with her. Being naked was not an issue, untill the
Also Adam and Eve were clothed in pure light, they lost that light coverin
and were naked then. So they took leaves to cover up with. Checkmate!

Point # 2 - I dont feel all of John is made up. God is the God of the livin
the resurrection completes the consumation of God being Lord of the livi
to all of my life. But the bible, to include John, has let me see the lies,
the bible, to include John, I would not know the difference. Because John
tests the spirits, that a false spirit will not confess Jesus came in the fl
delivered from sin and death, or the prison house.. I have used Johns co
it wotks very well. So John is not false, but telling the truth about testin
choice to become satan, using free will, he rebelled against God, and be
checkmate!

Point # 3 - Wizanda, I love you too!I beleive the books of John and Paul
very good council in them. Also a fundamental fact is this; you cannot pa
it onto a truth. In other words if John and Paul have a lie to pass, then i
Or simply stating in another way is this, 80-90% of Pauls and John writin
10-20% lies passed. So at the very least only 10-20% is a lie, the rest is
they are false teachers, which I feel they are not. And if they are then a
the lie...checkmate!

point # 4 - If you make a point and break it? Do you mean like saying the
showed you from the old testament there is a satan, then you said O.K.,
said that to break your point, to make your point. I know wat you mean a
However that does not change the truth of Lucifer using free choice to re
satan..The truth is still the truth. Checkmate!

point # 5 - if you are the angel of Rev 10, then wat are the 7 thunders? I
seven messages. Each given in chronological order, starting in 1844, wit

sabbath back to the churches, all things that have been destroyed by the church had, heve been restored in chronological order, thus fulflling the messages given is that the Holy Spirit is the mother of us all, and that t sister, and is also the spirit that lives in every born again believer. All 7 restored that the papecy killed during her reign. Thats 3 of the 7, can yo are? I check you! Not checkmate, but check?

point # 6 - I believe it says that satan approached Yashua in the wildern inside him. Also the devil took him to a mountian top and offerd him his only bow down to him.. You cannot accept a kingdom from a feeling like Also you cannot bow down and worship a feeling, but only a visible entity become satan, who was once Lucifer. God even says that he was perfect used free will to rebel, to become satan. For this rebellion, he will be bu saints..Sounds like an entity to me, and not a feeling or an emotion. I ha one..

point # 7 - You really have to decondition yourself wizanda.. Just becaus experience and seen some things, doesnt mean you seen it all. I have be there are appearently 144,000 levels of astral planes. This is split into When an angel takes you on a tour, you are subject to its direction. How body on your own cognizance, you can direct the journey. Which I did, I light astral planes, and his dual nature he gained from using his free cho hiding in the dark astral planes. They are there all right! You are basing which was not all comprehensive. You need to check yourself..You have but have ya ever been to timbucktoo? Just because you have never seen exist..checkmate

point # 8 - yep I seen some of the freddy films, dont like em.. But not be am not. It just glorifys evil to much. Its the same with the exorcist, it gl they dont use the authority of Yashuas name to cast out the demon, but is from satan/the vatican; to glorify satan.. Playing crds with god, is a w friend. But like satan, its a losing proposition. I never said satan was go that at? I know the bible says hes going to lose, because it says in Ez 2 in front of the saints. Again, Lucifer, using free will, rebelled agianst Go transformed him into satan. Satan is not created by humans, our beliefs dies. Ego on the other hand can be killed by us as an individual, by usin have an ego. But this in no way destroys satan because he existed befor angel. Its the same things as choosing to not believe in God, as many hu However God is not based on human belief. He stands alone without huma every human on earth died, ther would still be God, and its the same wit nature because of the sin of Adam and Eve eating of the tree of evil and ego in man, or we can decide not to have ego. The choice is ours. This d or doesnt exist because of that choice. The bible in the old testament an evidence that Lucifer/satan is real enough and has an active force to use with whether we believe in the devil or not. Just like God, he exists also not..checkmate -big time!

Your confusing the issue Wiz, the devil can suggest, but its our choice!

ps - I still think you are mind controlled, did you look up cathys website,
America? They can help you..loving you brother. Its not your fault, the d
