Actually your right, its time to end this.. I want to leave this on a good note for the victims! Two million plus children kidnapped and turned into satanists, the destruction of this nation by our Father, and Yashua. Its time to get out of america. If God is going to destroy this nation (earthquake?) because of this world from here, then its time to do some soul searching. Because we could survive an earthquake. Ezekial 9 :1-6 and Rev 6:12

Its my understanding the rocky mountians will dissapear underground, and the mountains will come up. That kind of earthquake will kill everyone. There is supposed to be a certain handful. Its less than 1% of the nation. I left america 4 yrs ago to escape and was brought me back. I will die with my children, or be evacuated. It dont matter, I have learned to much, crossed over to far, and can never return. I put my fate in God's hands. What else can I do? I 've had to many visions, to many meetings with "the Holy Ghost (Shekinah) in me now to fit in anywheres! I'll be talking to my children, talking to God a lot...thru Shekinah!

I pray our time together has been a blessing. Time moves on and things change. I bless you all, is my feelings to you. amen - Never forget the victims!...p
