Babylon is drunk from the blood of the saints she has killed over the mi
scripture is talking about. If you want to attack communion, you are goi
verse that deals with that. This is just one of your problems wizanda. Yo
correct according to your understanding, but often use the wrong verses
Thats why few will hang with you. You seem like you are really medicated
because you constanly trip up like that. If you think communion is satani
to show that. Using the scripture that babylon is drunk from the blood of
doesnt work for communion.. It makes you look like your off the chain. W
And when anybody tries to help you by pointing these things out, you go
heaven.. Nobody cares about that. And also that does gurantee you any
is based on doing the right thing your whole life.. If you do good, then d
becaome a bad person 6 months before you die, you dont get salvation..
times you have been to heaven at all, that dont mean you can reciev eter

You know what I mean, now straighten up and act right.. What the hells t
You act like a pompous ass at times, other times it like "oh poor me" The
been to heaven".. No one cares about that. What they care about is you t
and building doctrine out of that. You do the same thing babylon does. Y
blood of the murdered saints that babylon is drunk with; and to say that
communion. You dont even make sense anymore, you seem to be heavily
or something because you float way to much.. Sometimes your OK, other
in a huge way. Now you straighten up and get focused. This aint no game
home, and we need clarity..not this bullshit! peace...

Bottom line; anyone who dishonors the martyrs like you just did, will pr
life. You cant slam martyrs and expect mercy from the Father. And you
to change the meaning of those verses. Your disgusting for doing that! Q
that! In Yashuas name - amen!
