Ok Some of what you say I hear and agree strongly with yet other you are

Budhists don't worship Buddha, they may worship oneness and enlightenment

Hindu's who worship anything other than Brahma, are wrong as the book image, yet is all images i.e. Brahma One true God and many reflections Brahma is God

Shiva, Vishnu are reflections of the inner core of what Brahma is.

Now Christians are where the problems stem from

The books of Paul and John are false and portray Christ as God. when he was the current Bible, he was a prophet!

Alot of this is written up on this site and I will continue as to show where

Yeshua said it right as Mohammed said, what occurred after is the problem foretold and is God's plan.

The Quran is to be used as criterion and I feel we should with the religious muddled ideas of what God is.
