Do you people really understand what it means by historical references? God is God of all the worlds and not planet earth alone, so whatever kno the same for all worlds.
Secondly, whatever was revealed by God had to be done, in its entirety, creation for all of mankind.
"If there is a God it would be unjust of Him to deprive millions born befo commandments) revelation." Prof. Max Muller.
The bible is truly a depiction of God's injustice especially to the Incas a knew nothing of Christ.
