You can cut off a chickens head and it can still run around, does that me some scientific anomoly we are yet to shed real truth on. The brain is a not misuse it. I admit there are some things in science that are yet to be everything in Religion that is yet to be proven. I don't like faith, it gives only understand so much through faith. We have the technology to unders let's go after it.

Some things do happen that no one can explain. But leave it unexplainab explanations for things that we have not yet studied. Thank you Pete, I a continue.

With love and respect,
David.
