I disagree...

There are various martial arts that are not spiritual. Their intention is for  
created to serve differently.

Free will.

War, close combat attack, magical arts, power and intimidation.

Think about arts that may include such tactics, it is what man does with  
whether they are in service to all of humanity or not.

**CHOICE! ACTION!**

What one does in the moment, with what one has learned.

In deep thought and meditation,
