Ok, let me explain it, it is me who is banned, why?

For trying when I first realised about Paul just too simply ask, if anyone

This is where dude came from; when he comes back again, he can say the

now the post has been deleted.

At that point I didn't have my own pc so I quoted the scripture with out the

wording, yet still in context. So they poked holes at what I was saying as

dogmatic verse copying.

When I explained I had died seen heaven, was the angel with the small s

10, they got far worse.

"My father is the devil, I was sent to distract them, ect"

Now when I started this I wasn't aware that John was also Pharisee and s

scriptures I didn't object.

Yet due to these lot I thank them I realised something didn't make sense

again.

It was then I realised that John was a Pharisee, and also how Peter isn't

So he is not good, yet bad and a stone of stumbling to the house of Israel

Christ didn't know what he was on about, which then makes no point in e

He did know exactly what he was saying, he is a really good friend of mi

As to let people clearly know Christ wasn't a sacrifice, in believing this

death!

Everything I say about him is taken from his words and can be shown why

Yet this post got to like 20 pages as they pretend they know their scriptu

them.

For instance one person said we are not Christ brothers and sisters, if w

God.

So what then I ask you Christ teachings mean nothing and Paul's, John's

more???

No in fact, now I can really explain this in depths within the potters field

that these were the daft shepherds who continued after inheritance and g

house of Israel for killing numerous messengers and finally an elder or s

So between Paul, John and Simons fumbling they changed the truth, they  
beast, i.e. Rome.

Today's world is in a mess, why them, look at the political system, look a

Now if all had given up wealth there and then, we would have won, instead  
of this mysterious energy EGO or clever daft shepherds trying to change  
control us, limit us and stop us being a spiritual world that we can so ea

You see you can go across the web and each sheep will tell you a difference  
why?

How can you tell what is true when you have 36 contradiction with Paul's  
contradicts, you can't follow both they are opposite.

With the book of John everyone thinks Christ said these things he didn't

Again how can you see the truth will all this in the way?

So what do most people do spend ages going over it trying to work it out  
another denomination.

I will remind you a kingdom divided falls and this is where we need to st

The world is divided spiritually why?

Christians vs the rest of the religions!

Not Christ as he stems from the same branch, trust me we sit in heaven  
a picture of the inner court for you at some point.

In this inner circle is Lao Tzu and Buddha to the right as such, depending  
circle, Lao Tzu and Buddha's teachings are like sages and so in the place  
of the king, God.

In Revelations this is repeated, with the elders for sceptical Christians.

So to take off from where Christ left off, first we must make clear to the  
were.

Trying to convert people to Christ is bad, trying to convert people to the  
gospel Christ referred to i.e. Old Testament; there was no new testament  
gospel.

Again I personally would blame the Pharisees in much of this as this is w  
be recorded that is spoken and so it can be gone over.

Which I will say 100% I am sent to do, if you doubt this I will explain wh

through facts you can all check up, as I would expect no less, I always do check things, so you can to.

Now this is why I need the worlds help as single handily trying to explain and the rudeness and down right blatant disrespect was appalling.

So as you say Pete, no it is not right and Christ wouldn't approve in the deleted the thread as it really showed some of them as they truly are, all all. Me I am aware of this 100% as all I pray happens, so I am very careful

So no I don't wish revenge, I just want justice for my brother i.e. Christ.

This needs to be done correctly as to attack is wrong and solves nothing clear, to use scripture to show where and why.

As in revelation the one given the new name of Christ will lead the people out of his mouth, violence is not needed i.e. jihad being misunderstood as one. So the commandments are by God to murder or kill is a huge sin and heaven who commits this, regardless if they choose to ignore it.

As Mohammed said that mosses were true and so therefore you can not say there is only one.

This is just the beginning of what I am saying and will do, Christianlinks need all the religions, who have be told to defend, and help with the day

I can show you were and why I fulfil prophecies in many religions, many I ask all for help, with determined effort to save us from world war 3.

I am going to make template web flyers and real life tracts also to give out unanswerable, unless of course you come to the fact of these errors with books of Simon peter (stone).

I hope that make sense, please ask on any point you want explaining full
