Winter has set in a time of rejuvenation...

yet look closely and the face still smiles from within the bark of the tree
Committed to seeing through our illusion. A perspective different than our

Acceptance of the cycles of life, a time to be reborn and bloom, to produce
release ones leaves and then a dormant phase to ponder new growth of trees

I see each cycle and season not as an actual death, rather as a spiritual
the cycles of life. For even as humanity we must face these changes with
as such is a beginning for many.

The tree is a wise teacher, various forms scattered upon this home we can
capture your heart.

Ponder upon the gifts a tree may offer to thee. For each season the tree
never complains. It sways with the ever changing climate and endures the
Have you wondered how to minimize a tree's stress during such times?

I am in gratitude for the many trees who share their life force with me and
and the remembrance to give back to thee willingly. We are indeed
ONENESS!

In harmony and magic,
