This is a good question, because the bible tells us there are many "jesus begotton from the Father and Mother (holy spirit). Now the Jesus I know Holy day and we will find Him "Jesus" at worship with our Father on the 7th day sabbath.

This is not Jewish because Adam and Eve were not Jews and they kept the sabbath. why does Jesus remember the sabbath, because his Father "God" asks him to. he came to earth today, keeping the 7th day sabbath to show what "christ" he is. he is not jewish, the sabbath comes from God and not the jews, and jews reject him because they keep satans day of sunday, and spit on the 7th day sabbath. we should like the bible tells us to do.

Jesus christ would not be muslim or hindu either because they piss on their own holy day. I dont believe Christ could really claim any religion and they dont them really line up with the Christ in the bible. They all have some piece of the truth, but they dont really line up with the Jesus I know. I thnk its all mind control, and alier energies, and hybreds at the top levels, and satanists in the churches, and the image of God has been destroyed in mankind and in any religion. Jesus came to earth with any religion on earth today because they all piss on him, one way or another.

First off if they dont remember saturday as holy, Like God tells us to do; dont know! OK...And also the bible tells us that, there are many christs, but only one who keeps and remembers saturday as holy, remember that! Now what church is it? that mark? There are other marks also, but this is a must; an absolute must! SABBATH DAY! Thats the Jesus I know!

I have a question, if two Jesus' appeared at the same time hovering over the earth, identical; but one says I am the jesus of the 7th day sabbath, and the other says I am the milliom sunday keepers,,,which one is the real Jesus?

Because this is exactly what is going to happen according to the prophecies. Christ preaching love, peace and joy; but saying he has changed the sabbath. he will appear with the new jerusalem to start up the kingdom of God age; and sabbath here. Which one are you going to believe? I believe when the real Jesus comes, he will bring the true religion with him, and all the rest on earth be will phony, phony.

And I mean muslims, hindus, dali lamas, and christians ect; are all phony. they are an example of sabbath keeping. So the Jesus they follow is different than the real Jesus. It will be as obvious as a fly on your nose,,,peace!
