Hey guys, come on now, I didnt mean to be all inclusive.. I know these things in general, there are good in every race, religion, and group. I was just talking to believe Jesus is the only begotten son of God.. This group numbers probably 800 million. They are going to be challenged by a manifestation from Lucifer as Christ will attack Gods sabbath and say to keep sunday instead. Yashua will be here when it lands on earth. But I am not sure he will be manifesting.. who the real christ is, if the only issue was to get 800 million sunday keepers.

Is it possible, for the prophecys in the bible, tell us this is going to happen "here is the patience of the saints, blessed are those who die from here who keep the commandments of God and the testimony of Jesus". This happens when satan is banned from heaven permantly, with these words from God on his mind, "I am taking earth back, and you are going to die! Now when God tells satan he has got a few years left, then he dies permantly. That news sends him to earth to be a sabbath keeper. He will at this point flash on and pretend to be Jesus! How will he know? He will be by the day he upholds, sunday or saturday. Its happened before and its ready for that! peace out!

Thats includes all sunday keepers, they could be slung at sabbath keepers. Satanist have taken over some government to enact laws, and as lucifer is in washington, hovering in the air like christ, and saying, lock up the sabbath keepers, accept sunday now. This is definalty about a day, and its about killing off the tares, bad fish, and goats in the system (who are in the majority) to get the wheat. This will be done again.

And there are wolves in sheeps clothing, who are worse than tares, it would be a tare filled worldwide christian movement, of 800 million sunday keepers. This has happened in history before, more than once..Satan hates Gods personal day. It doesnt belong to man, it belongs to God..

I apologize about being all inclusive, that was misleading somewhat. How to bring to light is this sabbath/sunday showdown coming soon. It makes me believe in Yashua, like we do. We are going to be tested, and bible doctrine on the sabbath/sunday issue is huge. Remember, Lucifer is soon coming as christ. Its a sacredness.

Now as for dali lamas and hindus and mountian people and plains people, its all about harmony and love. I co-create with you and bond with you in eternal vigilance. God, to be found in all humanity.. I will see many of you on that day, as for

Yashuas (Jesus)name, amen.....

What your test is, will be different than my religious group. Although this
(Lord Maytria already is) Every man and women has their own path with t
as the final prophetic players start taking their positions. Many of us see

Flowers blowing in the wind! Thats what we are.....
