I allowed a nap...
reenergized the body, mind and breath or spirit.

In my dream I recalled what I meant to convey and it was that the Spirit
to Breath as is referred to Life. Divine Life is the Breath of the Holy Spi

I was brought back through memories of the creation story in the Bible a
everything even was placed within Adam.

As a Christian by nature I see and feel the Holy Spirit or Breath alive ev

The Buddhist nature which also recides within my heart would say the sa
source of aliveness.

I choose to embrace the similarities, rather than find differneces to comp

I have found that in touching Breath I am also touching God. Novice in a
of water in the vapor state, my breath against the backdrop of the night
freezing cold, however still the winds, amidst the nakedness of the Wint
glance of an eye to be asleep, yet busy at work preparing to bloom once
for all to see in that wonderous amazement we call Spring. The awakenin
growth. I do indeed find God in all the photogrphs I take. Certainly two d
and the subject, yet if you look deep, the Oneness is present always.

I watch in the darkness, now capable of being the observer of my breath
this. It becomes a moment to cherish and I do not feel the cold.

Love and Light,
suzyq
