Yonatan,

Greetings,

I am suzyq, your welcome moderator, at Wizanda. I am here to also serve

We apologize for the glitch that appeared in the system when you attempted working on it and will get back to us. We have been zealously making many in the past couple of weeks and perhaps overlooked something in the welcome s

We are delighted to have you posting with us and very grateful. You happen to be one of Wizanda's favorite topics. However, it will be difficult for us to get back and retrieve your data, so if you could please make a private post to one of us it would be greatly appreciated.

I can tell you have much to discuss and we are anxious to hear more about it. Perhaps even meet some of your friends who are also working in this area.

We are one family and embrace you all!

To get to know me or anyone else on the site simply double click our name. This will take you to our biography page. At the bottom will be a list of all the topics we have created or created. I find this the quickest way to get into someone else's thoughts. Remember though, my thoughts may have already changed on this a new thought I know will give you other data about each of us we wish to share.

Love and Gratitude,
suzyq
