I don't know, lol

Being a Shaman and playing that level on a djembe, I am normally good at it. Yet this time you got me, Sorry Suzy for answering quickly, you edited it and your name goes Wiz and a Please don't edit on here, use word as when it gets messy can mess threads up like here.

As before you started off with how you needed to find a leader, I blatantly said I rose up like I did.

Just I have had my Auntie saying you need to go to church, if I had I would have believed the truth and been lead as blind sheep to the slaughter. I did a couple of times as such and they spoke such rubbish; I walked out in the middle of the service. I hope you understand why I said now, as when you post on here someone can be tempted to do this also, as I got people getting the wrong idea.

Now I agree that is a beautiful post!
