Right on Scott,

Though you use different words, your statement reminds me quite a bit after meeting the Rainbow Family (you can find links through my sites "I have a vision" and "I have a vision" on my sites). You and I you many of us are getting the vision. Always a little different, reflecting our own experiences, but surprisingly similar. I am currently trying to squeeze as much perfection as I can into the Physical world. Falling short of my lofty goals somewhat, but in the general sense, I am getting there. <http://members.fortunecity.com/fbush2/rainbow.html> and look around. I also added a poem called the Dream to this forums post. I hope you might be able to relate to it. We ARE one. Namaste'
