Speaking of crystals?

Hey ya know, inside our bodys is a crystallyne light grid that parallels o
Its made from the 695? acupuncture points on our skin. Each point is tie
galaxy/universe. As this living light enters our bodys into the light grid (
our etheric/astral body with this living light. This is what is also found i
inside of us. Science has found a way to look inside of us, into this light
have found is tiny crystals floating and slowly tumbling along, inside the
rainbow is sometimes seen reflecting off of these tiny crystals, twriling s
within the fiber optics, of our crystllyne light grind. There are thousands

Its interesting that Rev 4:3 talks of a cosmic throne, upon which our Fatl
this facet, as a crystal having certian colors. Around this throne and cry
Mother of us all, whose essence is in that rainbow circling the throne. Ju
Father is in the crystal. So is our Mother in that rainbow!

Now we have a miniture type of this representation inside our bodys, in c
tiny crystals (Father) flashing rainbow colors (Mother).. What a testimon
parents, one facet of them both, is inside all of us, a signiture - if you w

David, I dont think we mean to replace crystals with our reasoning ability
nature and the Godhead to help us with. I know what you mean about the
But God has given us gifts and crystals are one of them. Please dont thi
the human being (a divine imprint of the family of God) with other things
on earth, is represented by many things, Some of us are hands, feet, eye
attractions to various things are seen and evident. Together we are one
all parts.

I hope that helps somewhat. I have difficultys sometimes expressing mys
