I do find it funny how you all follow Simon, he was called stone (peter) i
people up have a look at this, its Yeshua joking:

Quote:

Mat 17:24-27 and when they had come to Capernaum, the tribute collecto
does your master not pay the tribute? (25)
He said, Yes.
And when he had come into the house, Yeshua anticipated him, saying, w
From whom do the kings of the earth take customs or tax?
From their sons, or from strangers?
(26) Peter said to Him, from strangers.
Yeshua said to him, and then truly the sons are free.
(27) But lest we should offend them, go to the sea and cast a hook, and
comes up. And when you have opened its mouth, you shall find money; ta
for me and you.

If you understand what this means it's a joke, yet Simon peter (stone) di
You see:
I we are free then we shouldn't have to pay taxes and money should com
get in to trouble for not paying taxes.

The other point to this that I am just writing as full article is how Yeshua
in time.
So I am just doing the research on this the amount of stuff concerned it
finding these entire bits, as I am beginning to understand more of the fig
along as there is a lot to it.
I will make a full glossary of figurative terms and meanings, when I finis
should have about understood all the extra stories, these relate to.
As when you have a city with a bad moral to the story told, then someone
It is not the city in question, yet the ethics and so prophecy's become do
regions, yet two for the ethics of the people it is trying to portray.
I could still do with a hand with some, yet not to worry though as God gu
spent years doing this, it would be handy if you know you stuff.

Ok as a quick explanation of what I mean when I say the hook is this Yes
prophecy as the hook or the plummet stone, both very much a way to mea
So if Yeshua is here saying the hook and said that he would make them f
again referring to how, what he taught is to be used as a measure.
So when he says, don't follow Pharisees, beware of the Pharisees, it doe

word is a measure, this is again and again repeated through prophecy.

So when you have the books of John and Paul written by so called X-Pha

What must you do when you follow Christ?

Not follow them, beware that they are sneaky like a wolf in sheep's cloth
their fruit.

So its time to wake up if you are reading this!!!

Now if in the reference I have used you are shown how Simon is daft and
stone. As he must have known this as Christ honestly knew the scripture
studied them to the extreme that I am using a bible search program to go
referencing points, when he speaks.
Yet this wasn't just his doing, which is clear, yet the Holy Spirit that spo
time to show us all this (If we are willing).

To carry on with that scripture, if Christ says use a hook and he is the l
wealth, if everyone did then indeed they could depend on (the Hook = Ch
family should, with out greed getting in the way.
