Dear Suzy,

It is funny sometimes, what our path dictates along the way. Crystals can be especially energy-wise. I used to wear clear-quartz, lightning-struck quartz. Just love them and thought that we won't part for a very long time. But one day they said "We need a holiday." And it has been more than a month since they are on the altar. It might be their permanent holiday, but I'm fine with that.

I feel so much better now, and I'd like to say thanks. (Someone prayed for me.)

Blessings

,
