Denn,

I pray for your mom's healing, her bathing in the light of green, golden I Michael lend her strength and Archangel Raphael bless her with his heal Divine Ordination.

Thanks much for your replies, you have a soothing presence and I always you. As for that Rose, it's a pleasure, you can get that at the bottom of p below the posting box where you write) I tried sending to your yahoo mai back, which happened to you too. The negatives have a way of blocking o Lightworkers, also snatching postings into the ethers like what happened always write on wordpad first and save it along the way. I really learnt m things I'd like to discuss with you.

1.

I've visited the alien-abduction site, but the chatroom is under "renovati be lightened up by positive thoughts sent towards the abductees. In a se contain alien DNA but don't consciously know) who reported abductions o with the aliens prior to their reincarnation. But then, forgot all about it o though it is a "contract" per se, the humans who chose, have the freewill this life. By invoking the presence and help of the God-head and His/Her can't do anything about it and have to let the humans go. So, the God-he this "contract", but firstly the human have to be conscious of the choice contract by divine invocation. And, the Grays can't grasp what is Love & recorded the physical and emotional behaviours from humans to hybridize the source and deal with it. The key to deal with them is by centering se people can understand that. No matter what, Love & Light will win in the evidence appearing real", which I learnt to accept it to be just that. The y they projected illusions into the humans' minds to make them at the gray paper monster away from the source of light, casting big shadows on the Because of this, centering self in Love & Light at all times is important. what we see, think and speak (which would naturally affect the choice of this another time)

I do not agree with UFO magazines keep on reporting the fear of abducti trace of offering possible solutions to deal with it. This phenomenon kee see. People need more of Love & Light, not otherwise. The Illuminated their hell and leave Earth(Us) in healing. I am now doing my part to emp thoughts by the God-head's blessings. He/she's a Great Friend/Companio Ulti-Mate.

2.

I read about implants of physical and non-physical forms. Whichever they are, they are controlled by dark entities to achieve their ends. That includes negative aliens, CIA operatives, and those that attach themselves to human auric field are parasitical. People who have whatever addictions they have are due to these auric parasites needing food. This applies to most of our thoughtforms and inexplicable urges that wreak havoc on our lives. But anyway, (excerpted from John Grau, he's one of the Toltec freedom workers, very clear and humourous)...the most excellent esoteric researcher Dr. Joshua

"The best way to get rid of alien implants and negative elementals is to call on the Ascended Masters in the process to remove them for you. I would recommend that on a regular basis, during your meditations, you call to the Ascended Masters Djwhal Khul and Vywamus. Vywamus sweep through your four-body system with his golden hands [like a vacuum cleaner] and get it all. Afterwards, call forth from him a golden dome of protection."

Such a short mantra, and yet the words here lead you the reader to a quiet reflection on the alien entities. As a side-point, I once asked a Christian Minister to dispel a serious alien implant problem - only to find out that he wouldn't. You SEE, she couldn't ask, and the Minister wouldn't help unless she asked! ~John

(have a go on this site, but as always, discern whatever you read)

Having contemplated that, and from my years of observing the Ascended Masters help to remove anyone's implants unless the person asked. The person must have the conscious acceptance of the possibility that they are implanted. Then, they must ask Divine assistance for the implant/s to be removed. Now, isn't the "same" as not, just invoke Divine assistance to cleanse self. After all, a drunk person is not to be drunk. But watch out, only after a few steps... lol

May All of the Light bath in the Golden Light of Divine Protection.

Love & Light,

Snow
