I am back!!

Deciding to stay for the sake of the others, tending to their needs...to serve ME.

To awaken with the truth of why these walls surround one such as ME, re right to be here now, joy swelling within the heart and soul. True love re

Live for community and discover One. There is a great mystery in the po there appeared to be ME, now it is plain to see the WHOLE.

The moment of manifestation has arrived as a new shift takes presedence released from their shackles and chains when ready to choose differently. No longer slaves in the mass dream of the keeper of trapped souls.

Lest the Unity not be lost within the control of the remote keeper, the fa outside of self, which attempts to change what is natural and authentic, unrighteousness and blasphamy.

Rather, awaken and regain the will within self to seek the Truth, Love an hide authenticity and allow walls to come crumbling down.

Allow the choice then to be yours...do you stay and serve those still lost yourself and walk away.

Love and Gratitude,
suzyq
