God why don't you take me now?,
Before I mess up again,
So I can get into heaven,
And my suffering can end.

God why don't you take me now?,
Before i hurt myself,
So I don't destroy my temple,
And lie dead where I once knelt.

God why don't you take me now?,
So that I don't have to,
Because then I wil burn in hell,
And suffering is all I'll do.

God why don't you take me now?,
So it will be all over,
So I don't have to worry and cry
And I won't be in a stupor.
