I'm flying up into the sky
Nothing can hurt me or make me cry
All around me are butterflies
But hen I awake to tears in my eyes

In my life there are no dreams
In my life I can no longer see
In my life I have no air to breathe
In my life I just want to be free

I'm walkin through a field of flowers
And all around blooms all tower
Over them I have a power
But then I awake, I'm just a coward

In my life there are no dreams
In my life I can no longer see
In my life I have no air to breathe
In my life I just want to be free

I'm hanging around with all my friends
And our mighty friendship will not bend
We're going to be friends until hte end
But then I awake, again life begins

In my life there are no dreams
In my life I can no longer see
In my life I have no air to breathe
In my life I just want to be free
