I can not sleep...it has been weeks. I have entrained my heart and soul to you. My heart belongs to the one I know I love. I can not eat, I desire nothing but to embrace...

Oh God I fall upon your feet, what am I to do, my heart aches so, I am confused.

The tension between us builds like water trapped behind a dam we both know our mission with you forces us to look away...yet in my heart I know I have to stay. I must do both. I can not choose one over the other, not yet, not at this time.
