I found them in six,
Yet six,
is a trix;
And we hit many bricks,
Due to people still needing their ego fix,
So lets move on to 8
It sounds great
as it plays with fate,
lets make it our date;
We can meet many mates!
Its free to decide,
Please don't run off and hide,
As together we see,
the truth of reality.
For one it can make us,
anywhere lower is innondated,
with people who don't see,
yet are you and me,
if they spend the time,
maybe they will climb,
and take that step,
that they will never regret!
yet i feel they forget,
that life is a soul,
and with out it you will never feel whole.....

So on to 8 hope you see how we relate..
