Scott , You do make a person think.

Yes I agree, there is no set "Book" to tell us how to believe. God is out there. You just have to open your eyes and you can find him.

I truly believe that if you are a good person and help your fellow man that you can go into heaven.

And why not create heaven right here on earth! You do not have to die here for us! we just have to open our hearts and minds to the possibility.

Now I know this is just my thoughts on this but, keep opening those doors who is going to walk through.
