I state this is a legally binding document on the proceedings and aims of

Primary aims

Wizanda's primary aims are to build a place so that people of any belief or different people's religions and beliefs for free.

The aims of this are to link people together through wisdom and unity so that there is a better understanding of knowledge on spiritual matters that is already known.

Then from the information that is acquired by the community, to expand on that knowledge and then to fund ventures to make the knowledge spread world.

The aims of the venture are to make a stable community world wide between people of different understanding of each other and then to work with in that community to help

Efficiency

The charity must be constantly striving to find the best way possible as to how to run the charity while maintaining a high standard of workmanship in all things that it does. The charity may not fund events that may cause the charity to lose money. Any venture must be assessed by more than one person yet with one person's view and final decision for the charity.

The charity may adopt a new head by decision of the committee and head of the charity, but be sure that the charities principles remain in tact.

At all time the charity must try and use free resources as to keep cost low. Only purchase items if there is no other means of acquiring items that the charity

The web site

The charities web site is about incorporating people on a spiritual base so that they can help each other through sharing of wisdom and culture for free at all times. The charity must at all times do things set out by the charity in a way that is helpful and understanding while teaching the truth of what knowledge is already known on these subjects.

The charity must do this without adding cost to people by encouraging them to spend time and effort on a spiritual basis.

The charity at all times must do things in a fun and simple way as to encourage people to be at ease with each other.

The charities web site is about sharing knowledge with people from all walks of life in the way possible, while still being informative and encouraging understanding on spiritual matters.

The web site must stay without commercial marketing displayed or sent,

the charity.

Members are free to choose if they wish for emails direct from Wizanda and to withdraw from further emails.

Emails from Wizanda must not contain any commercial marketing for any essential to the charity.

Though the web site may link to commercial sites to help in free advertising market

Wizanda must be free of commercial marketing in any way as this product to the charitable purposes of Wizanda.

The web site must remain a community project so people are able to convey as far as possible to avoid conflicting opinion.

The web site at all times must encourage a friendly atmosphere for people to relate on spiritual matters.

### Types of Promotion

The charity is about fetching a spiritual life to all people so it can there projects that can encourage the coming together of people from all walks. The funding must be to help in the enlightening of people to the wisdom and understanding of spiritual values in an unbiased way.

The charities promotion must try at all times be free to the public yet do not. The charity may spend funds on printing and exposure of the web site as well as at the minimum cost to the charity.

### Funding expenditure

The charity may use funding to acquire web promotion, as to be a means of spiritual assistance.

At all times the charities funding must be spent on the increase of the community spiritual growth of people world wide.

The funds can be used to incorporate other charities to find and distribute need if required.

The charities funds may be used in conjunction with promotion online to help in entertain people in an effort to promote spiritual unity.

The charity may help and fund events in the benefit of the charity as to help and between beliefs.

The charities funds may only be used on projects set out by Wizanda after on weather said venture is cost efficient and the resulting effects may cause repercussions to either the charity or said venture before any expenditure. All projects the charity may be involved in must help in spiritual unity in and out on ventures that do not encourage spiritual growth.

### Primary funding

The ways of funding the charity are by means of donation from either the charity is involved in a venture.

Although later Wizanda may sell books it must try at all times to give information. All information on the web site must be given for free at all times yet do not in funding the charity to reach more people.

## Volunteering

The charity at all time encourages all peoples involved in the charity to  
The charity may cover costs of volunteers for transport and accommodati  
involved in the spreading of spiritual wisdom to people yet this must be  
manner

Food may be brought for volunteer if there is no other option available y  
must try and cover there own costs.

Volunteers may become members of the web site and ask for funding in v  
spiritual unity and understanding if the committee and head trustee sees
