The Bible is in a mess, here are versions of word love that have been put in the Bible as unconditional love as referenced.

A few points to add since feminine love is classed more as unconditional love of heaven, that a spirit is born within heaven, yet then comes here. This is the same of being in a mother's womb and being born, that always a separation felt if the children move away from the mother, same applies to heaven. Quote:

All of these are wrong!!!

Its meaning is unconditional love, not love of man, which comes from heaven. Unconditional love that comes from heaven and is the stuff this reality, has been made of.
