9:36. The number of months in the sight of Allah is twelve?? - so ordained  
the heavens and the earth; of them four are sacred: that is the straight u  
yourselves therein, and fight the Pagans all together as they fight you al  
Allah is with those who restrain themselves.

So unless the Sun (365) and the Moon (28) are wrong (=13)  
We best fix it our selfs before Allaha fixes us!!!
