Remixed this track loads, as didn't like it to begin...

May start adding revision numbers to things lol

As often on here; if you download any painting or music, well and web pr
stems from....

There will be improved versions later, so ask if you want a remix, in cert
music sits here in case don't like any of it...

Since it is all hand written also, it doesn't take long to make changes...

Have fun hope you like what I have done to it...

I feel it sits better now as one track should and lot more solid as bass li
