Why do people hurt each other?

(I am)?

As in if we all are, then it hurts us to hurt another...

Yet if when; many make a point of being (I am) as society says be this...

This is where the lack comes...

As one things many did make clear, is don't say (I am) this is easily visible
texts in concern...as done in many of the additions in the books....

So when half of society is trying to claim they are this or that, maybe if we
once...then things might change again....
