If you start either new posts they will show on Google more if titled well articles...both will soon have keywords interlinking as one....with TAG's pre-think how to TAG everything as to relate your points, then work is done

Sort of like an on going game to save the world...the more peace and love articles...the more chance there is of someone searching that and finding Christian...and read any of the Paul/John/Simon = peter stuff we might see for some is all it takes and others we must use what we are here for....your sword Zan is the Mattock (= Corn cutter) and so we can explain, as written sword...we don't fight fire with fire, we use the love of god to over shine taught as they hold no weight....as oneness, is has more insight and see relates....i.e. mustard seed in all books article..

So anyways going on about my mission here, so if you understand it, the articles are laid out as such. have tried countless times to one article... interlinking spiders web...there is far more to come to over turn every st

Your articles are of the song, and bless you from the bottom of my heart

As when all remember the song then none will slip and none will fall then walk tall...One love Bro and thxz....post all of these poems in the article light shine...you see articles have all them feeds. well Google reads them this site also...so then you have double...we make that quadruple and then shine as major of love rather than hate for once..

Find it fun about the Zand Avatar command and no one notices
