The forum hasn't Tag's yet.....

When it does it will be the same as the Articles....

So the best way to do anything is with a little organization....

Plan of where to place stuff goes like this....

Articles or pieces of Art...as in the writting is something to be talked ab

That way they are more visable as key point....

The Forum is for discussion and Conversations on any Articles....

Soon the Tag's on the Forum when it has it, will be a way of interlinking

They are not something to worry of...they are there to help you....

For instance....Say you write something you want the world to hear....

That goes as an Article....

You place [Tag's](#) at the bottom of that page....when submitting....

The Article is then thought about by us....so someone transfers it to the discussion....or relation to the point in many contexts....

So on them many context each time, there will be a keyword that hi-light with more conversation.....

Well that is the plan.....posting again on one post is like being on myspa

This is a book...a book has index's the index's in our case are menu's, a feature to make everything written interlink....
