We did add a counting systems on here.. thinking people would stay if th
also...they might think twice...and post yet nothing....??

So added who is online, yet with that my self spend more time looking wh
saying anything...

So now that is gone...now all that is left is a forum that counts up reads
new submission of it's self, yet sits at the top of Google as this site do
of links we have been adding and don't stop
...

Still seeking loads more if any of you have a site...and for each feel free
that is listed on Google...join and fill in your profile on here also works
now description to show off or display who or what you are about....

of you have enough confidence just to say hello....

Guess that's why it is just me whom posts on here to stand up for truth a
faith...
