After just sitting watching one of the most popular English soaps being E  
depressing....everyone split up for Christmas everyone is cheating or ha

Why on earth do we want to make our society worse?

Our children who watch this presume to much as it is, so we feed them ju  
problems we face in real life, to the point of life is really not worth livin

Now this is not me so much I speak for; as did stop watching them ages a  
my mum for that...yet with our someone there to tell how pissed off it ma  
dwell still within me...

So instead now saying on here how generally these are very bad things,

Why would we even choose to watch something that will inevitably affect  
world...?

If we consider people watch them as a religion and need to be there for s

Then also consider how they live there live like one waiting for the next  
there life's by them, where instead of deal with their own problems in the  
repeat what happened in the show the other night and wonder why their l

So come on peoples can't we actually encourage good television regardle  
because it is meant for the adult population...by encouraging bad things  
in them shows....it in the end no matter which we look at it encourages a

Where well to do children who watch them then live a life rebelling again  
make society in the first place and why?

As we are telling them this....

As for me doubt I watch that again, never makes me feel better about my  
angry or twisted after...so where in my case I now feel these chemical im  
show...most people are not aware of their own bodies and spirits to this  
see the influences it is having on your spirit....

Why sail through a storm, when there is a clear sea the other side? Real
