What do I mean by set up? You speak as if all rests on our shoulders. As through a computer site and The Most High will not have a hand in it.

Well, He has had his hand in it up to his elbows since the beginning. As grow closer to the point where all will come together, this will be the unveiling.

When the many sparks we now witness birst into flame, then you will know. The words of the true Prophets will ring clear and all will be plain to see.
