Only problem when you are prepared for a battle, is people fight with you.
If you walk in peace, then no harm comes upon you.

The satan if you noticed, from my other post comes from man as spoke in
even God asked, "where did you come from?" and satan replies "from wall"
I ask those who are true to God to observe and take heed as from mans ego
If you fight against something, it gets stronger

Only through love can our hearts change and become one, as the father is love
When we fight against our own spirit, our Ego gets stronger and so the devil
stronger

Through wisdom and love, peace may be attained, as Christ stated heaven is
Peace Be with U
