Will God avenge his elect?

This we can bet, yet how and why, will make many sigh.

So take time to ponder what is implied,

As something's of being spikey,

That is quite Tricky to see,

yet you can take a look at a spikey tree,

(cactus to you and me);

for what's Inside,

is normally good to hide.

So if we are the spikey bits,

Then maybe this is it.

So rather than say, when is the day?

Lets make our own worth while today!
