Ok though I agree on your point of Mammon is money.....

It is also far more as well....

Mammon is in the Gita and so Yeshua also was speaking as Yeshiva (Shi

So the meaning given to Mammon is two part.....

First ancient Hebrew goes like this
M = Chaotic, strong flowing
A = Strength added as a Vowel to constants makes it Strong chaotic flow
M + M = More Chaotic flow.
O = A grouping of something.
N = To continue.
So from that, we have a word implying Chaotic living.....

The next part is as the Gita describes it as idolatry and Babylon teachin
drinking I Am, self preserving entities)....

The Mother of all harlots is basically Christianity....
it does not follow Yeshua teachings...Matthew, Mark and Luke tally.
The Pharisees do not and are John and Paul Simon the stone ... (peter) they teach as Balaam would
and it is not right to say God would sacrifice or murderer...

666 means a few things also:
6 in Hebrew numerology means man, 66 is fallen man, and 666 is man tra

The arguments between the denominations are because one group have 8
which are all required to understand it and the rest have been given 66 b
Which do not contain women, sexuality and other points, that they though
know..like the abomination of desolation, already having taken place and
extra books of Maccabees 3/4.

6 is also a dimension and commandment, that is reiterated again and aga
kill as all is matter and so if you eat death, you also become it.

We have many points of Anti-Christ teachings that are on 6:6...
Numbers 6:6 no dead animals for a Nazarite.
Hosea 6:6 Christ asked for mercy and not sacrifice, meaning the knowled
important, then all the burnt offerings.

Micah 6:6 definition of Balaam teachings is to say God would sacrifice hi
There is likely to be loads more, yet these I keep posting so often lately

6 neutrons, 6 electrons, 6 photons is all carbon based life forms, so thos
7th dimension is consciousness and so all you think that isn't loving God

So to summarize this 6th dimension is all matter, 7th is anti-matter and s
that life its self started from consciousness, are not real in God's reality
