Right as for your question in Hinduism
True Hinduism, as i was watching last night on a Muslim channel, a Doct
diffreneces in beliefs.
He went through sacred texts of many beliefs and proofed that in all it s
including Hinduism.
What Hinduism states, diffrent to Muslim is that all is God. through a co
universe into creation, muslims state that all belongs to God.
This i have viewed 1st hand, my self in heaven and it is both God is part
universe, yet also is so much, much more then that.
As for the cow, the cow is sacred as it gives milk and so is precious, not
this contradicts the Hindu texts.
This is why the beliefs argue as the pharisee turned Yeshua into an idiol
know this since birth, it is only now, i can put it into words for the world
Plus as the site's faq's states faith is a feeling not a belief
There is one true faith
One true God
Oneness is heaven
