These don't even look like Human skull's, some say they bound the head:

They also say its not human?.....

To me that has a completely different bone structure to humans, and as f simple race binding babies; wouldn't an enlarged cranium provide more s continue growing?

Earlier records of electric (Egyptian pyramids had light bulbs with batter our own; to build things we still don't know how?...

With better calculation of astrological alignments, time and even astrolohave?...

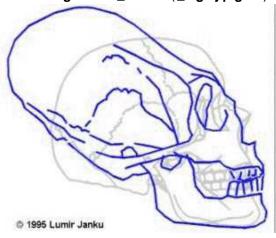

Countless UFO sighting by respectable NASA and air force pilots of most
