In the bible in exodus 30

"Also take fine spices: of liquid myrrh, five hundred shekels; and of fragrant cane, two hundred and fifty; and of fragrant cane, two hundred and fifty; after the shekel of the sanctuary; and a hin of olive oil. You shall make perfume compounded after the art of the perfumer: it shall be a holy anointment to anoint the Tent of Meeting, the ark of the testimony, (Exo 30:23-26)

there is a mistranslation on the word sweet(fragrant) cane  
this should be translated from the word pronounced  
kawneh bo'sem =cannabis  
bo'sem means flower  
Christians means anointed ones

judges where it says to be anointed by the balm  
aw-twad

it is speaking of trees and this would make no logical sense  
if it were to go on about balm being a tree  
so i think this is again on about cannabis as it is contained in the anointment  
this would then make sense of why most hippies are more christian  
then a lot of christians i have meet  
if you look at all the great king in scripture you will see they were anointed  
in a lot of culture cannabis is a teacher plant  
this i have known since being young and i find to be correct it helps you  
its not to intoxicate it helps you relax and be still  
god can guide you  
it is actually part of your body from the moment your born there is a natural  
it joins on to  
so if we are truly to be christians we should be anointed  
peace be with u  
check it up and tell me what you find
