To me the "devil", if one could truly put a name to the concept of unadvised guises.

The devil is blind faith, do not follow a course without consulting the wisdom into your own feelings, it is right to question everything you feel the need to believe is far more important than what you believe in.

The devil is not a faith, a witch who helps others and gives of themselves more than a christian who was greedy, selfish and hurt others

I do not believe in a supreme good or a supreme evil. Does God exist? yes (the language not have a genderless tense) is the supreme Initiator, neither man nor woman, both and all together in one unfathomable eternal being. The "divine" truth of the Initiator. God creates and destroys to suit the purpose of the plan. I create what has been destroyed and to destroy what has been created by the truth of the plan.
