I think that there is no point is saying what is Christian or Pagan as in t
matter your traditions or you beliefs, we are all part of the same creator
with all our "knowledge" about what is truly "pagan" or "christian" stripp

I think circe is right, to think that doing one thing that is practiced by ar
reigion is rediculous. mind you over time all religions grew out fo one a
aspects of antoher religion so we are all of us all religions... which is w
place, hmmm... circular...
