As far as I can tell from having seen heaven and the spirit realm.

I would say that it is, certain of us do not possess the true concept of on

Heaven is oneness certain people/spirits are stuborn, impatient, ect

Here in this realm we get a chance to overcome these hurdles, through te
so seeing who is truly ready for oneness, as heaven is perfect and anyth
heaven.

Ego is one of the worst culprits, as most people don`t realise this indepe
oneness and God.
