To make something very clear for mankind; 7th was asked to be an academic on the Jewish beliefs, to help fix where the Rabbi purposefully made up Christianity.

As an archangel sent from Heaven fulfilling prophecy in many of the world's scriptures, on Judgement Day, 7th has mocked, and ridiculed the whole thing, with me present. He has made Jewish prophecy more seriously for 15 years+.

Soon according to prophecy many die in the Great Tribulation, and God brings us into the Messianic age... Even though advised to seek others with more knowledge, I personally decided to reject the Messiah for all the Abrahamic believers.

Even though 7th has been warned his decision affects the whole of mankind, he has made prophecy globally as a joke, even though everyone is affected by his lack of knowledge.

7th has made lots of stupid rules now, preventing me from insisting he has knowledge more seriously.

Thus I'd like to apologize to everyone, for choosing someone who would not listen in a chatroom, than try to help humanity as stated in their own belief systems.
