Though 7th has been informed that if he doesn't act upon Messianic prop end of the human race, he states he will not change his mind.

Thus after 16 years asking him to question the details, he has now banne 'academic, context, Judaism, intertextuality, scholarly', as he thinks it is he is controlling, and that I do not understand those words properly, to k them.

I've been very clear since day one, that I'm an angel who fulfilled Revela reading the Bible. As our discussions have proceeded, I've explained how years old [puthame is in many of the worp is rebiJudgements](#) Day, and how Source of reality explained global eschatology to me at 15 years old.

Even though in the last 4 years I've had enough evidence to show that I' then Yeshua, and now Zion/Zan, 7th has refused to go into the details, a for all Rabbinic Jews; even though I've asked him to get experts.

At 5-6 years old I knew how the Great Deception had taken place by the knew at 25 years old I'd be on the sky explaining the concepts, yet be re comes.

I've given 7th plenty of time to share the information with the Rabbinic J instead he has asked for the date of their destruction to debunk my claim data for you all.

I'm sorry for choosing someone who really doesn't fear God or humanitie
